Welcome to the RJJ Journal of Halacha and Contemporary Society Digital Disc Collection.

How to Open a Journal:

To Open a Journal by Number: Scroll Down to Page 3 or Click Here
To Open a Journal Using a Comprehensive Index of Journals 1-50: Scroll Down to Page 4 or Click Here

How to Change Views

Use the buttons on the toolbar (pictured below) to alter the magnification and page views.

- Magnification Options
- Choose From Several View Options
  (Hover over buttons to see their function)

How to Copy Text

Choose the Select Tool button from the toolbar. Select the desired text and press Ctrl-C to copy or right-click and select “Copy”.

How to Print

To Print: While the Journal you wish to print is open press the Print button on the toolbar.

Click Here for Search Instructions
To search all volumes:

To search all 54 volumes simply Click Here. Alternatively, click the Search button on the toolbar. The Search Tool defaults to searching all 54 volumes.

To search an individual volume:

First open the journal of interest here (or scroll down) to select a journal.

There are two ways to search an individual volume—Quick Find and the Search Tool.

- **Quick Find**: While in the journal you want to search—select the “Quick Find” Box on the toolbar or press Ctrl-F. Then type the search term and press enter. Continue pressing enter or use the Previous and Next buttons to highlight instances of the search word one by one while traveling through the document.

- **Search Tool**: While in the journal you want to search—Press Ctrl-Shift-F or click the search button. To search only within the current journal select to search “In the current PDF Document.” Otherwise, the search tool will default to searching all 54 volumes.
Index

This is a cumulative index of all articles which have appeared in the Journal since the beginning of its publication up to and including Number 50. The issues originally numbered Vol. I, No. 1; Vol. I, No. 2; Vol. II, No. 1, have been renumbered I, II, and III.
